

DANCE WITH ME

BONUS TRACK FROM THE ALBUM 'I'M STRONG'
MUSIC/LYRICS BY CLAUDIA CAMPAGNOL

You know it's been a while
Since I saw that familiar face
Almost felt like it started over
You saw me smile
I lost track of time and space
I just wanted to be there again, having you closer

Oh, come and dance with me
Real slow and really close to me
Just pretend we are the way that we used to be
Cause tomorrow we'll be friends again
So come and dance with me

You know it's been a while
Since I needed to be hold
How can I be so badly mistaken
We had it all
At least we thought for a while
I don't want to dance with anybody else

Oh, come and dance with me
Real slow and really close to me
Just pretend we are the way that we used to be
Cause tomorrow we'll be friends again
So come and dance with me

Dance with me
Just dance with me

Oh, come and dance with me
Hold me closer
Real slow and really close to me
I need you closer
Just pretend we are the way that we used to be
Cause tomorrow we'll be friends again
So come and dance with me

Come and dance with me!
