

## CONQUER THE WORLD

FROM THE ALBUM 'I'M STRONG'  
MUSIC/LYRICS BY CLAUDIA CAMPAGNOL

You may never know me  
But I can tell by one look  
How this song takes place in your head  
When you hear me sing your story out loud

How could she know  
When did I show  
There's nothing we can hide  
We all need to kill our pride  
Cause when we do  
We can see the inside

People live underneath a coat of layers  
And search for truth  
In so many prayers

When will we see  
It's in you and me  
Let's conquer the world with love

We've just begun  
To find our way to love  
Love never dies  
If you open your eyes

People live underneath a coat of layers  
And search for truth  
In so many prayers

When will we see  
It's in you and me  
Let's conquer the world with love

We've just begun  
To find our way to love  
Love never dies  
It's all inside  
If we open our eyes
