I'll tell you something only we know  
When leaves are falling and the wind blows  
Into the light, even at night

We're sailing on the sea in motion  
Bittersweet and kind of frozen  
Into the light, even at night

Baby, my baby come sit here with me  
Watching the sunset, no talk  
Maybe, just maybe you don't have to leave  
And maybe it never gets dark

Abracadabra come back to me  
Abracadabra is what I need  
Wonder how you are  
Wonder if your heart's breaking like mine  
Wonder where you are  
Wish upon a star, say we'll be fine

Living like there's no tomorrow  
Break and bend the time we borrow  
All in the light, into the night

Baby, my baby come sit here with me  
Watching the sunset, no talk  
Maybe, just maybe you don't have to leave  
And maybe it never gets dark

Abracadabra come back to me  
Abracadabra is what I need  
Wonder how you are  
Wonder if your heart's breaking like mine  
Wonder where you are  
Wish upon a star, say we'll be fine

Wonder where you are  
Wish upon a star  
Find my lonely heart still beating  
Gotta carry on, carry you along  
Still beating, still beating

Abracadabra  
Come back to me
